Decisions and problems can often leave people with a dilemma: knowing that a decision is required, but uncertain how to ensure that it is the best one and that it will be successfully executed. The paradox is that the very pressure for a decision often breeds indecisiveness. Think on Your Feet addresses this fundamental problem, enabling you to find the best solutions and options, avoid pitfalls, manage risk, work with people to ensure that decisions succeed, and understand how you can improve the way you typically operate when making decisions.
