Footprints in the Sand Rebekah Hatcher

Callie Andrews is content with her life, until she gets a phone call telling her that her twin brother is in an Iraqi prison. When Mark Wilson contacts her and tells her that his father has also been taken captive, her organized life is suddenly turned upside down. As they uncover more information, they soon realize that the company their family members worked for is not what it appeared, and the kidnappings may not have been as random as they seemed. Callie and Mark's own lives will soon be in danger as they race to rescue their loved ones. As Callie and Mark travel around the world, staying one step ahead of the men trying to keep them from discovering the truth, they find that they may have been brought into one another's lives for an even larger purpose. Can Mark's faith inspire Callie to turn back to God after spending so long running from Him? Can Callie's beauty and love help Mark heal from the heartbreak of losing his fiancée and learn to open himself up once again? Their journey brings up questions of love and faith for each of them as they make Footprints in the Sand.

From reader reviews:

Owen Bourne:

As people who live in the particular modest era should be upgrade about what going on or information even knowledge to make these individuals keep up with the era that is certainly always change and progress. Some of you maybe may update themselves by examining books. It is a good choice for yourself but the problems coming to you is you don't know which one you should start with. This Footprints in the Sand is our recommendation to make you keep up with the world. Why, because book serves what you want and need in this era.

Christopher Henricks:

Spent a free a chance to be fun activity to do! A lot of people spent their spare time with their family, or their friends. Usually they carrying out activity like watching television, going to beach, or picnic inside park. They actually doing same task every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? Could possibly be reading a book might be option to fill your cost-free time/ holiday. The first thing that you ask may be what kinds of reserve that you should read. If you want to consider look for book, may be the e-book untitled Footprints in the Sand can be great book to read. May be it might be best activity to you.

Laura Dupont:

Reading can called brain hangout, why? Because when you are reading a book specifically book entitled Footprints in the Sand your brain will drift away trough every dimension, wandering in every aspect that maybe unfamiliar for but surely will become your mind friends. Imaging each and every word written in a guide then become one web form conclusion and explanation in which maybe you never get ahead of. The Footprints in the Sand giving you another experience more than blown away the mind but also giving you useful information for your better life in this particular era. So now let us explain to you the relaxing pattern at this point is your body and mind will likely be pleased when you are finished reading it, like winning a. Do you want to try this extraordinary wasting spare time activity?

Joann Nixon:

That reserve can make you to feel relax. This book Footprints in the Sand was colorful and of course has pictures on the website. As we know that book Footprints in the Sand has many kinds or variety. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and think that you are the character on there. Therefore not at all of book are generally make you bored, any it offers you feel happy, fun and relax. Try to choose the best book for yourself and try to like reading that will.
