The Developer's Code Ka Wai Cheung

You're already a great coder, but awesome coding chops aren't always enough to get you through your toughest projects. You need these 50+ nuggets of wisdom. Veteran programmers: reinvigorate your passion for developing web applications. New programmers: here's the guidance you need to get started. With this book, you'll think about your job in new and enlightened ways.

The Developer's Code isn't about the code you write, it's about the code you live by.

There are no trite superlatives here. Packed with lessons learned from more than a decade of software development experience, author Ka Wai Cheung takes you through the programming profession from nearly every angle to uncover ways of sustaining a healthy connection with your work.

You'll see how to stay productive even on the longest projects. You'll create a workflow that works with you, not against you. And you'll learn how to deal with clients whose goals don't align with your own. If you don't handle them just right, issues such as these can crush even the most seasoned, motivated developer. But with the right approach, you can transcend these common problems and become the professional developer you want to be.

In more than 50 nuggets of wisdom, you'll learn:

Why many traditional approaches to process and development roles in this industry are wrong - and how to sniff them out.

Why you must always say "no" to the software pet project and open-ended timelines.

How to incorporate code generation into your development process, and why its benefits go far beyond just faster code output.

What to do when your client or end user disagrees with an approach you believe in.

How to pay your knowledge forward to future generations of programmers through teaching and evangelism.

If you're in this industry for the long run, you'll be coming back to this book again and again.

From reader reviews:

Bob Pratt:

This The Developer's Code are usually reliable for you who want to be considered a successful person, why. The explanation of this The Developer's Code can be one of many great books you must have is giving you more than just simple reading through food but feed you with information that perhaps will shock your preceding knowledge. This book will be handy, you can bring it almost everywhere and whenever your conditions at e-book and printed versions. Beside that this The Developer's Code giving you an enormous of experience like rich vocabulary, giving you trial of critical thinking that we realize it useful in your day pastime. So , let's have it and enjoy reading.

Tammy Lugo:

Precisely why? Because this The Developer's Code is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will zap you with the secret it inside. Reading this book adjacent to it was fantastic author who else write the book in such awesome way makes the content interior easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of advantages than the other book include such as help improving your ability and your critical thinking means. So , still want to hesitate having that book? If I were you I will go to the guide store hurriedly.

Terri Root:

Your reading 6th sense will not betray an individual, why because this The Developer's Code book written by well-known writer who knows well how to make book that may be understand by anyone who have read the book. Written in good manner for you, dripping every ideas and producing skill only for eliminate your current hunger then you still doubt The Developer's Code as good book not only by the cover but also by content. This is one reserve that can break don't evaluate book by its include, so do you still needing yet another sixth sense to pick this kind of!? Oh come on your reading through sixth sense already said so why you have to listening to a different sixth sense.

William Hill:

This The Developer's Code is new way for you who has fascination to look for some information since it relief your hunger details. Getting deeper you in it getting knowledge more you know otherwise you who still having small amount of digest in reading this The Developer's Code can be the light food for you because the information inside this kind of book is easy to get through anyone. These books develop itself in the form that is certainly reachable by anyone, yep I mean in the e-book type. People who think that in e-book form make them feel sleepy even dizzy this e-book is the answer. So there is absolutely no in reading a e-book especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss that! Just read this e-book kind for your better life along with knowledge.
