A weekend of passion with the boss leads to a wake-up call—a positive pregnancy test!

When it comes to her billionaire boss, Carol Lawrence has always been by the books. But that doesn't mean she hasn't noticed Jake Waters's sex appeal. To say she's secretly bowled over by his Native American good looks and savvy swagger is putting it mildly. So when he asks her to be his plus one to a star-studded island party, she says yes. But soon the convenient arrangement turns into a whirlwind affair with inconvenient consequences: she's pregnant. Will the wedding bells toll for Carol—with a man who runs from commitment at all costs?
