Walking in Pembrokeshire: 41 circular walks in the national park (Cicerone British Walking) Dennis Kelsall, Jan Kelsall

The spectacular coastal scenery of Pembrokeshire's national park, south Wales, is only one of the county's many facets explored in this collection of 40 varied and interesting walks. The routes take you through the Preseli Hills (from which ancient man took the 'bluestones' for Stonehenge), the Daugleddau's hidden tidal reaches (once busy with coal barges), deep wooded gorges (whose fast-flowing streams powered long-forgotten mills), prehistoric hill forts, medieval castles, isolated churches and many intriguing places that await discovery. With 40 routes ranging between 2 and 12 miles (20km), there is something for everyone, often incorporating places to visit or a welcoming pub or cafe en route.
