Mary Field Belenky

Despite the progress of the women's movement, many women still feel silenced in their families and schools. This moving and insightful bestseller, based on in-depth interviews with 135 women, explains why they feel this way. Updated with a new preface exploring how the authors' collaboration and research developed, this tenth anniversary edition addresses many of the questions that the authors have been asked repeatedly in the years since *Women's Ways of Knowing* was originally published.
