*Marcial Arredondo Guevara*

## **Método de comprensión lectora. Entender lo que leemos, comunicar lo que entendemos (Spanish Edition)** Marcial Arredondo Guevara

La humilde pretensión de esta técnica es la de aprender a leer; la de aprender a extraer de las palabras toda la experiencia que el hombre ha ido depositando en ellas. Es en esta técnica que, con sencillez, penetración y rigor, Marcial Arredondo inicia a un público joven que realmente requiere con urgencia de ella. A partir de este trabajo, de esta primera experiencia hermenéutica, los alumnos podrán llegar bastante lejos en la reflexión crítica, medida y controlada por el texto mismo.
