Projection Risa Green

Three girls battle a dangerous secret society that will do anything to protect an ancient Greek power in this murder mystery for fans of Dan Brown.

In ancient Rome, it was whispered that the great philosopher Plotinus could project his soul into another human being in a ritual that hinged on a kiss.

In present-day Delphi, California, the sole remaining guardians of the Plotinus Ability hide in plain sight as members of the exclusive Oculus Society—until their leader, Octavia Harris, is killed in her own home. With no leads on the case, Octavia's daughter, Gretchen, vows to find her mother's murderer at any cost.

One piece of the puzzle falls into place when Gretchen's best friend, Jessica Shaw, discovers the Plotinus Ability. Skeptical but curious, the two can't resist trying the ritual, but they're not alone. Ariel Miller, an outsider with a well-known hatred of all things Oculus Society, films the friends exchanging their first kiss, and it isn't long before the video goes viral. As Ariel's guilt and the girls' suspicions of her mount, the three must forget the past and trust one another if they are to find the murderer still in their midst.

From the Hardcover edition.

From reader reviews:

Bridget Carter:

Book is to be different for each and every grade. Book for children until eventually adult are different content. As it is known to us that book is very important for people. The book Projection seemed to be making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The book Projection is not only giving you a lot more new information but also to become your friend when you experience bored. You can spend your personal spend time to read your e-book. Try to make relationship with the book Projection. You never feel lose out for everything in case you read some books.

Vicky Bowman:

As people who live in typically the modest era should be upgrade about what going on or info even knowledge to make all of them keep up with the era which can be always change and move forward. Some of you maybe may update themselves by examining books. It is a good choice to suit your needs but the problems coming to an individual is you don't know which one you should start with. This Projection is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

Jose Gray:

Reading a guide tends to be new life style in this particular era globalization. With looking at you can get a lot of information that could give you benefit in your life. Using book everyone in this world may share their idea. Publications can also inspire a lot of people. Lots of author can inspire their very own reader with their story or maybe their experience. Not only the storyline that share in the guides. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors on earth always try to improve their proficiency in writing, they also doing some research before they write to the book. One of them is this Projection.

Dorothy Alvarez:

Playing with family in the park, coming to see the water world or hanging out with friends is thing that usually you will have done when you have spare time, subsequently why you don't try point that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Projection, you could enjoy both. It is great combination right, you still desire to miss it? What kind of hangout type is it? Oh occur its mind hangout people. What? Still don't get it, oh come on its known as reading friends.
