The Children David Halberstam

David Halberstam's *New York Times* Notable Book—a riveting account of the brave individuals at the core of the civil rights movement

The young men and women at the heart of David Halberstam's brilliant and poignant *The Children* came together through Reverend James Lawson's workshops on nonviolence. Idealistic and determined, they showed unwavering bravery during the sit-ins at the Nashville lunch counters and on the Freedom Rides across the South—all chronicled here with Halberstam's characteristic clarity and insight. *The Children* exhibits the incredible strength of generations of black Americans, who sacrificed greatly to improve the world for their children. Following Diane Nash, John Lewis, Gloria Johnson, Bernard Lafayette, Marion Barry, Curtis Murphy, James Bevel, and Rodney Powell, among others, *The Children* is rooted in Halberstam's coverage of the civil rights movement for Nashville's *Tennessean*.

This ebook features an extended biography of David Halberstam.
