What to Look for in Winter Candia McWilliam

The British literary sensation—“the most startling, discomfoting, complicated, ungovernable, hilarious and heart-rending of memoirs” (*The Telegraph*)—the story of a celebrated writer’s sudden descent into blindness, and of the redemptive journey into the past that her loss of sight sets in motion. Candia McWilliam, whose novels *A Case of Knives*, *A Little Stranger*, and *Debatable Land* made her a reader favorite throughout the United Kingdom and around the world, here breaks her decade-long silence with a searing, intimate memoir that fans of Lorna Sage’s *Bad Blood*, Mary Karr’s *Lit*, and Diana Athill’s *Somewhere Toward the End* will agree “cements her status as one of our most important literary writers beyond question” (*Financial Times*).
