Anatomy of an Illness

Maitreyi Villaman Matos, Mercedes Amarilis Villaman

Anatomy of an Illness Maitreyi Villaman Matos, Mercedes Amarilis Villaman

This fragmented text – a hybrid between poetry and theater- is the result of the mixture of heartbreaking hours of insomnia in the hospital bed and readings from magazines, spiritual books, and pamphlets for patients. Also from entries of the author’s personal diary at transformational retreats and from her notes commenting on posters and television programs watched at treatment centers’ waiting rooms. All is seamlessly blended to create a distillation born on the process of healing from a deadly disease. Anatomy of an Illness presents a metaphor of illness as a battle of the body pitched against itself as part of the war versus True Self.

From reader reviews:

Paula Mendoza:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book which improve your knowledge and information. The info you get based on what kind of book you read, if you want drive more knowledge just go with knowledge books but if you want really feel happy read one along with theme for entertaining like comic or novel. The actual Anatomy of an Illness is kind of reserve which is giving the reader unstable experience.

Shawn Francis:

This book untitled Anatomy of an Illness to be one of several books which best seller in this year, here is because when you read this reserve you can get a lot of benefit in it. You will easily to buy this specific book in the book store or you can order it through online. The publisher with this book sells the e-book too. It makes you quicker to read this book, as you can read this book in your Smart phone. So there is no reason for you to past this e-book from your list.

Patricia Lopez:

Your reading sixth sense will not betray you, why because this Anatomy of an Illness book written by well-known writer who really knows well how to make book which can be understand by anyone who also read the book. Written in good manner for you, still dripping wet every ideas and writing skill only for eliminate your own personal hunger then you still question Anatomy of an Illness as good book but not only by the cover but also from the content. This is one publication that can break don't evaluate book by its cover, so do you still needing an additional sixth sense to pick this!? Oh come on your reading sixth sense already said so why you have to listening to yet another sixth sense.

Kimberly Foust:

That publication can make you to feel relax. This particular book Anatomy of an Illness was bright colored and of course has pictures on the website. As we know that book Anatomy of an Illness has many kinds or variety. Start from kids until youngsters. For example Naruto or Investigator Conan you can read and think you are the character on there. Therefore , not at all of book tend to be make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book for you personally and try to like reading this.
