China's Role in Global Economic Recovery (Routledge Studies on the Chinese Economy)

China's Role in Global Economic Recovery (Routledge Studies on the Chinese Economy)

This book presents a wide-ranging assessment of the current state of China's economy in relation to the global international economy. It discusses the role China has played in responding to the economic crisis; assesses the continuing strong prospects for further economic growth in China; and examines China's deepening integration into the world economy. Specific topics covered include China's foreign reserves and global economic recovery; the international expansion of Chinese multinationals and China's private businesses; and the role of technological innovation in China's economic growth. Overall, the book provides a wealth of detail and up-to-date insights concerning China's development path, growth potential, sustainability and impact.
