Seeing and Savoring Jesus Christ (Revised Edition) John Piper

In six 30-minute DVD presentations, Pastor John Piper unpacks what it means to behold and delight in Jesus above all things.

In 2 Corinthians, the apostle Paul described one of the central problems facing humanity in every age: people fail to see Christ for who he is. Even those who have caught a glimpse of him do not see perfectly, says best-selling author John Piper. But it is important that we not only learn to see him but delight in him and the truth of the gospel.

This DVD and its companion study guide explore the meaning and significance of these ideas in a guided group study. Each of Piper's six 30-minute DVD presentations will equip Sunday school teachers, small group leaders, Christian educators, and parents in directing people's understanding of these topics so that viewers will learn to behold and delight in Jesus more than anything this world has to offer.
