Coleshill

Fiona Sampson

Coleshill Fiona Sampson

Deep in limestone country, at the corner of Wiltshire, Oxfordshire and Gloucestershire, lies the village of Coleshill.

This haunting new collection from Fiona Sampson is a portrait of place, both real and imaginary; a dreamscape with its roots deep in the local soil.

The poems hum with an evocative music of their own: there are hymns of the orchards, verses for walkers, songs for bees. These are slices of life and states of mind; poems of grief, fears and maledictions, but also of renewal, resurrections and the promise of spring.

Coleshill emerges as a “parish of sun / and shade”; its darkness and light perfectly balanced. From the T.S. Eliot and Forward Prize shortlisted poet comes a deep, interrogative collection of astonishing clarity and power.
