Singing the Right Way: Orthodox Christians and Secular Enchantment in Estonia Jeffers Engelhardt
Singing the Right Way enters the world of Orthodox Christianity in Estonia to explore musical style in worship, cultural identity, and social imagination. Through both ethnographic and historical chapters, author Jeffers Engelhardt reveals how Orthodox Estonians give voice to the religious absolute in secular society. Based on a decade of fieldwork, *Singing the Right Way* traces the sounds of Orthodoxy in Estonia through the Russian Empire, interwar national independence, the Soviet-era, and post-Soviet integration into the European Union. Approaching Orthodoxy through local understandings of correct practice and correct belief, Engelhardt shows how religious knowledge, national identity, and social transformation illuminate how to "sing the right way" and thereby realize the fullness of Estonians' Orthodox Christian faith in context of everyday, secular surroundings. *Singing the Right Way* is an innovative model of how the musical poetics of contemporary religious forms are rooted in both consistent sacred tradition and contingent secular experience. This landmark study is sure to be an essential text for scholars studying the ethnomusicology of religion.
