The Cricket on the Hearth

Charles Dickens

The Cricket on the Hearth Charles Dickens

The kettle began it! Don't tell me what Mrs. Peerybingle said. I know better. Mrs. Peerybingle may leave it on record to the end of time that she couldn't say which of them began it; but, I say the kettle did. I ought to know, I hope! The kettle began it, full five minutes by the little waxy-faced Dutch clock in the corner, before the Cricket uttered a chirp.

As if the clock hadn't finished striking, and the convulsive little Haymaker at the top of it, jerking away right and left with a scythe in front of a Moorish Palace, hadn't mowed down half an acre of imaginary grass before the Cricket joined in at all!

Why, I am not naturally positive. Every one knows that. I wouldn't set my own opinion against the opinion of Mrs. Peerybingle, unless I were quite sure, on any account whatever. Nothing should induce me. But, this is a question of fact. And the fact is, that the kettle began it, at least five minutes before the Cricket gave any sign of being in existence. Contradict me, and I'll say ten.

Let me narrate exactly how it happened. I should have proceeded to do so in my very first word, but for this plain consideration—if I am to tell a story I must begin at the beginning; and how is it possible to begin at the beginning, without beginning at the kettle?
