Welcome home. Forever.

Lauren left her hometown of Trinity Falls years ago, with no intention of ever going back. Something bad happened to her in the woods there, so bad that she erased it from her memory—mostly. But now she's returning for her father's funeral. Returning to a place where robed men and women circle the town in an endless loop, tirelessly chanting, and where a primeval beast watches from behind the trees, hungry for more than flesh. Hungry for *her*.

In Trinity Falls Lauren's grandmother Madelyn reigns supreme. Lauren escaped her once, but Madelyn won't let her get away again. This time Madelyn intends to see it through to the bitter, bloody end. No matter what.
