Don't underestimate Ava just because she's "cute" and wears "adorable glasses"—she's really a fierce monster slayer. And when her beloved Piggy is left in the dryer in the basement, Ava knows she'll have to face the ferocious monsters lurking in the dark if she wants to rescue her favorite stuffed animal. So she puts on her brother's superhero cape, grips his sword tight, puts on her pink rain boots and sparkly princess crown, and creeps downstairs.

Not even the roar of the greenest and hairiest monster is going to stop this spunky girl. Even though she's scared and the monsters smell terrible, Ava is determined to rescue Piggy. Ross Feltan's brisk, sketch-like illustrations help bring energy and humor to this story of bravery and loyalty. Young readers will relate to Ava's mission and delight in her victory over the monsters. *Ava the Monster Slayer* is sure to appeal to children worried about monsters in their own homes and kids devoted to their own stuffed animals.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
