Goldfish: A Novel Nat Luurtsema

I am Lou Brown:

Social outcast, precocious failure, 5'10" and *still growing*.

I was on the fast track to the Olympic superstardom.

Now, I'm training boys too cool to talk to me. In a sport I just made up. In a fish tank.

My life has quickly become very weird.

Nat Luurtsema's YA debut is side-splittingly funny and painfully true to anyone who's just trying to figure out how they fit into the world.

Daniel Adams:

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Goldfish: A Novel can make you sense more interested to read.
