**Imago (A Kate Redman Mystery: Book 3) (The Kate Redman Mysteries)** Celina Grace

“They don’t fear me, quite the opposite. It makes it twice as fun... I know the next time will be soon, I’ve learnt to recognise the signs. I think I even know who it will be. She’s oblivious of course, just as she should be. All the time, I watch and wait and she has no idea, none at all. And why would she? I’m disguised as myself, the very best disguise there is.”

A known prostitute is found stabbed to death in a shabby corner of Abbeyford. Detective Sergeant Kate Redman and her partner Detective Sergeant Olbeck take on the case, expecting to have it wrapped up in a matter of days. Kate finds herself distracted by her growing attraction to her boss, Detective Chief Inspector Anderton – until another woman’s body is found, with the same knife wounds. And then another one after that, in a matter of days.

Forced to confront the horrifying realisation that a serial killer may be preying on the vulnerable women of Abbeyford, Kate, Olbeck and the team find themselves in a race against time to unmask a terrifying murderer, who just might be hiding in plain sight...

Imago (A Kate Redman Mystery: Book 3) is the third in the Kate Redman Mysteries series, by bestselling crime writer Celina Grace, author of Hushabye, Requiem and Lost Girls.

Praise for The Kate Redman Mysteries from Amazon and Goodreads reviewers:

“One of the best I have read this year. I read about a fourth of the book early in the day, then at bedtime, I thought I would read a bit more before sleep. I finished the book at 5:20 AM. Just could not put it down.”

“At last, a mystery that delivers...I found this novel superb because I got all I needed to know and none of what I didn’t.”

“...a gripping detective story but the main character engages you, and as well as wanting to know how the mystery turns out you want to learn more about her too.”

“...amazing book, read it front to back in one visit, couldn’t help myself...”

“...the most enjoyable Kindle book I have so far read since the 'low cost electronic revolution' which has been sweeping my reading habits for the last couple of years! Thoroughly recommended.”

“This was my introduction to the author, and I’m so glad I discovered the book. Well-written and a real page turner.”

“I was awake till the early hours to finish it !! I really enjoyed it and the characters in it so I’m pleased I also have the sequel downloaded to read at some point. I know it should be great.”

“Attention to detail and great character building coupled with a mystery that keeps you guessing are all the

ingredients that make me keep reading till the early hours of the morning.”
