The Kybalion Three Initiates

Some confusion has arisen in the minds of persons considering this Principle, from the fact that they were unable to explain how one thing could cause another thing— that is, be the "creator" of the second thing. As a matter of fact, no "thing" ever causes or "creates" another "thing." Cause and Effect deals merely with "events." An "event" is that which comes, arrives or happens, as a result or consequent of some preceding event. No event "creates" another event, but is merely a preceding link in the great orderly chain of events flowing from the creative energy of THE ALL.
