Breathing Room

Susan Elizabeth Phillips

Breathing Room Susan Elizabeth Phillips

Join the *New York Times* bestselling author on a journey to the sun-washed hills of Tuscany. Another sexy, wonderful, contemporary love story with all the heart, wisdom, and wit that have made Susan Elizabeth Phillips the gold standard for women's fiction.

She's Dr. Isabel Favor, America's diva of self-help.
He's Ren Gage, Hollywood's favorite villain.
Sometimes you just know that God has a sense of humor.

Dr. Isabel Favor, author of *Four Cornerstones for a Favorable Life*, has sacrificed everything to build her self-help empire. Then, in a matter of weeks, it all comes crashing down. She loses her money to an unscrupulous accountant, her fiancé to a frumpy older woman, and her reputation to headlines denouncing her as a fraud. America's diva of self-help soon discovers she can fix everyone's life but her own. Broke, heartsick, and soul-weary, she heads for Italy in search of a little breathing room.

Lorenzo Gage makes his living killing people... on the silver screen, that is. He's viciously handsome and sublimely talented. But as he begins his vacation in Italy, he's also vaguely dissatisfied. Being a villain with a face to die for has its rewards, but he hates the feeling that everything he's neglected in life is catching up with him. Then he spots Isabel sipping a glass of wine in a sidewalk café. A good guy wouldn't think of seducing such a tidy-looking woman... but he'd never seen the fun in playing the hero.

It doesn't take long for Isabel to realize she's escaped one kind of chaos only to be plunged into another. Even the shelter of a simple stone farmhouse nestled in a Tuscan olive grove can't provide her with the refuge she needs—not when the townspeople are scheming to drive her away, and her plan to restore her reputation has come up empty. And especially not when the man who deceived her refuses to leave her in peace.

Breathing Room is a book for any woman who's dreamed of wandering through a vineyard, of lazing under the Tuscan sky, or of reforming a deliciously wicked man. This is a story of hope and renewal, of love and redemption when it's needed the most. Sometimes it takes a special place... a special love... a little breathing room... for life to deliver all its glorious promise.

From reader reviews:

Janie Ross:

In this 21st hundred years, people become competitive in each and every way. By being competitive today, people have do something to make these people survives, being in the middle of typically the crowded place and notice by surrounding. One thing that oftentimes many people have underestimated it for a while is reading. That's why, by reading a guide your ability to survive enhance then having chance to endure than other is high. For you personally who want to start reading some sort of book, we give you that Breathing Room book as basic and daily reading book. Why, because this book is usually more than just a book.

Ethan Scott:

Playing with family in a very park, coming to see the marine world or hanging out with close friends is thing that usually you may have done when you have spare time, subsequently why you don't try issue that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Breathing Room, you could enjoy both. It is very good combination right, you still want to miss it? What kind of hang type is it? Oh seriously its mind hangout fellas. What? Still don't obtain it, oh come on its named reading friends.

Michael Carr:

That guide can make you to feel relax. This book Breathing Room was bright colored and of course has pictures on the website. As we know that book Breathing Room has many kinds or type. Start from kids until teens. For example Naruto or Investigation company Conan you can read and believe you are the character on there. So , not at all of book are make you bored, any it makes you feel happy, fun and rest. Try to choose the best book to suit your needs and try to like reading this.

Gayle Oconnell:

A lot of e-book has printed but it differs. You can get it by online on social media. You can choose the top book for you, science, comic, novel, or whatever by simply searching from it. It is known as of book Breathing Room. You can include your knowledge by it. Without making the printed book, it could add your knowledge and make a person happier to read. It is most essential that, you must aware about guide. It can bring you from one destination to other place.
