Ethics and Compliance Programs in Multinational Organizations Katharina Wulf

The study examines how multinational organizations implement the concept of ethics and compliance programs into their businesses and the extent to which these programs were geared to the 2004 Amendments. The study explores the applicability of the 2004 Amendments and analyzes the instruments organizations use to successfully develop and maintain these programs. By including research from various fields, a theoretical framework was developed for implementing an ethics and compliance program that takes into account the 2004 Amendments
