Law and the Internet Lilian Edwards, Charlotte Waelde

This is the third edition of a successful book which offers students and practitioners an up-to-date overview of developments in Internet law and practice. The editors have once again assembled a team of specialist authors to write about those aspects of Internet law which are of special importance in the global regulation of the Internet and focussed around three principal themes- e-commerce, intellectual property, and privacy, data protection and cyber-crime with, in addition a major contribution on Internet Governance. This edition incorporates for the first time areas such as data protection, privacy and electronic surveillance, cyber crime and cyber security, jurisdiction and dispute resolution online. The section on IP contains clear and comprehensive analysis of the many and varied ways in which IP and the internet intersect including open source licenses and the IP problems around search engines. The new edition also takes account of all current cases and legislation, including the draft revised EC Telecoms Package and the Audio Visual Media Services Directive.

This book will be essential reading for students, teachers and practitioners interested in Internet law and practice as well as technologists and social scientists.

'The book is easy to read, and...has been well edited...and flows smoothly through the various topics. ...the book provides a worthwhile overview of this developing area of law throughout the world.'

Peter Walsh, International Trade Law Annual

'a thorough and stimulating survey. ...a good introduction for lawyers and students approaching Internet and e-commerce law for the first time, and a useful course text.'

Brian Hutchinson, The Irish Jurist

From reader reviews:

Emmanuel Young:

Reading can called mind hangout, why? Because while you are reading a book especially book entitled Law and the Internet the mind will drift away trough every dimension, wandering in most aspect that maybe unidentified for but surely will become your mind friends. Imaging each and every word written in a publication then become one form conclusion and explanation in which maybe you never get ahead of. The Law and the Internet giving you another experience more than blown away your head but also giving you useful data for your better life with this era. So now let us teach you the relaxing pattern this is your body and mind is going to be pleased when you are finished studying it, like winning a casino game. Do you want to try this extraordinary spending spare time activity?

Emil Townsend:

This Law and the Internet is fresh way for you who has intense curiosity to look for some information mainly because it relief your hunger info. Getting deeper you on it getting knowledge more you know or else you who still having bit of digest in reading this Law and the Internet can be the light food to suit your needs because the information inside this particular book is easy to get simply by anyone. These books create itself in the form that is certainly reachable by anyone, sure I mean in the e-book contact form. People who think that in guide form make them feel drowsy even dizzy this reserve is the answer. So you cannot find any in reading a reserve especially this one. You can find actually looking for. It should be here for a person. So , don't miss this! Just read this e-book type for your better life in addition to knowledge.

Clare Lucas:

A lot of guide has printed but it differs from the others. You can get it by internet on social media. You can choose the top book for you, science, comic, novel, or whatever by simply searching from it. It is named of book Law and the Internet. You'll be able to your knowledge by it. Without departing the printed book, it might add your knowledge and make anyone happier to read. It is most critical that, you must aware about reserve. It can bring you from one place to other place.

Irvin Ashbaugh:

Some people said that they feel weary when they reading a guide. They are directly felt it when they get a half regions of the book. You can choose the particular book Law and the Internet to make your own personal reading is interesting. Your personal skill of reading proficiency is developing when you including reading. Try to choose very simple book to make you enjoy to see it and mingle the sensation about book and looking at especially. It is to be first opinion for you to like to open a book and go through it. Beside that the book Law and the Internet can to be a newly purchased friend when you're experience alone and confuse in doing what must you're doing of that time.
