Para matar el recuerdo: Memorias españolas (Spanish Edition) Jean-Claude Carrière

A lo largo de su rica y variada vida profesional en el mundo del cine, Jean-Claude Carrière ha sido testigo privilegiado de la historia de España en los últimos cincuenta años. Colaborador predilecto de Luis Buñuel en los guiones de películas ya clásicas como *Diario de una camarera*, *El discreto encanto de la burguesía*, *La Vía Láctea* o *Ese oscuro objeto del deseo*, Carrière evoca en este libro su larga relación con nuestro país, desde que en su infancia viera aparecer a dos niños republicanos en su colegio hasta su época de intenso trabajo con Buñuel, que supuso para el joven guionista el descubrimiento de un mundo perdido, de una España que ya sólo existía en la memoria del cineasta aragonés, aunque todavía pudieran visitar juntos algunos de sus escenarios.

De la mano de Buñuel, Carrière conoció también a otros personajes inmensos como Pepín Bello, José Bergamín, Fernando Rey o Francisco Rabal, protagonistas en este libro de inolvidables escenas nunca antes publicadas. Pero más allá de Buñuel, Carrière habla aquí sobre todo de la esencia del país y de la idiosincrasia de los españoles, de su compleja historia, de su arte, de su insondable misterio.
