**The Multiple Worlds of Fringe: Essays on the J.J. Abrams Science Fiction Series** Tanya R. Cochran, Sherry Ginn, Paul Zinder

With diverse contributions from scholars in English literature, psychology, and film and television studies, this collection of essays contextualizes Fringe as a postmodern investigation into what makes us human and as an examination of how technology transforms our humanity. In compiling this collection, the editors sought material as multifaceted as the series itself, devoting sections to specific areas of interest explored by both the writers of Fringe and the writers of the essays: humanity, duality, genre and viewership.
