A Musician's Alphabet

Susan Tomes

A Musician's Alphabet Susan Tomes

Have you ever wondered whether musicians notice the audience or are influenced by them? Wanted to know how performers might learn particularly difficult pieces? Thought about the terms 'old' and 'young' in reference to music?

Using the letters of the alphabet as her starting point, Susan Tomes presents a series of lively reflections on performing music, and on the classical music world. Drawing on her international experience as a solo pianist and chamber musician, she offers intriguing insights into rehearsal and practice, coping with nerves, and on the relationship between musicians and their audience. The book also contains thought-provoking meditations on the role of classical music in society, and the most rewarding attitudes to performance. This pocket-sized musical 'A to Z' is an invaluable guide and is a must for anyone interested in what makes musicians tick.

From reader reviews:

Raymond Hollander:

Spent a free time and energy to be fun activity to do! A lot of people spent their free time with their family, or all their friends. Usually they accomplishing activity like watching television, planning to beach, or picnic inside the park. They actually doing same task every week. Do you feel it? Do you want to something different to fill your personal free time/ holiday? Might be reading a book could be option to fill your no cost time/ holiday. The first thing you ask may be what kinds of reserve that you should read. If you want to try out look for book, may be the book untitled A Musician's Alphabet can be good book to read. May be it can be best activity to you.

Lorenzo Brown:

Are you kind of busy person, only have 10 as well as 15 minute in your morning to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you are receiving problem with the book compared to can satisfy your short period of time to read it because all of this time you only find e-book that need more time to be learn. A Musician's Alphabet can be your answer given it can be read by anyone who have those short spare time problems.

Steven Ward:

As we know that book is vital thing to add our understanding for everything. By a book we can know everything we really wish for. A book is a list of written, printed, illustrated or perhaps blank sheet. Every year had been exactly added. This guide A Musician's Alphabet was filled concerning science. Spend your free time to add your knowledge about your research competence. Some people has distinct feel when they reading a new book. If you know how big good thing about a book, you can truly feel enjoy to read a e-book. In the modern era like currently, many ways to get book that you simply wanted.

Sandra Lester:

As a pupil exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's internal or real their hobby. They just do what the professor want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this A Musician's Alphabet can make you sense more interested to read.
