Fram

Tony Harrison

Fram Tony Harrison

*Reliance on devices like the photograph and slide
will lead, I rather fear, to linguistic suicide.*

*We must keep on challenging language to engage
with all we suffer from in this new modern age.*

This epic sweep of a play takes us from a contemporary Westminster Abbey to the Arctic ship Fram - or Forward - specially built by the famous Norwegian explorer Fridtjof Nansen who, with his suicidal companion, Johansen, makes a bid on foot for the North Pole in the 1890s. Though incompatible, they share a bear fur sleeping-bag through the long winter. Nansen, still haunted by Johansen's ghost is appointed to the League of Nations. As a figurehead of Russian famine relief in 1922, he conducts the first celebrity campaign, searching for means, however shocking, to make people care.

Tony Harrison's major new work for the theatre, *Fram*, premiered at the National Theatre in April 2007.
