Adrián Lajous Martínez

Adrián Lajous Martínez. Desarrollo, deuda y comercio: un testimonio histórico sobre la crisis económica mexicana y el ajuste, 1983-1993 (Spanish Edition) Adrián Lajous Martínez

El autor nos presenta una visión económica de corte sólidamente ortodoxo con la cual uno puede no estar siempre de acuerdo. Sin embargo, en esta compilación destacan dos aspectos que justifican su lectura aun para aquellos que busquen ideas y soluciones más heterodoxas. Por una parte, el autor ofrece un recuento sumamente informado, coherente y perceptivo de un periodo crucial de la historia económica reciente de México, que vale la pena para todos recordar, sin importar creencias o convicciones personales. Por otra parte, el tema general de los escritos, el alcance e instrumentación del papel del Estado en el desarrollo económico de México, se ha vuelto más relevante que nunca en este momento en que el Estado mexicano atraviesa nuevamente una crisis de identidad al prepararse para un nuevo sexenio.
