"Breve come un secolo", ovvero il cinema come strumento didattico. Quanti si ostinano ad affermare che la filosofia sia una disciplina lontana dalla realtà, e non, piuttosto, una fondamentale chiave interpretativa di essa dovranno ricredersi leggendo i saggi contenuti in questa raccolta. Non una filosofia del cinema, ma un'indagine filosofica su film il cui intento non è quello di operare in direzione speculativa, per quanto essi ben si prestino ad una decodifica di carattere filosofico. Con il titolo "La riflessione pro-VOCATA", il lavoro offre al lettore la possibilità di approssimarsi al pensiero di importanti filosofi del Novecento prendendo come pre-testo narrazioni cinematografiche più o meno celebri. A corredo dei film, docenti e studiosi di filosofia offrono interessanti spunti esegetici, invitando ad una riflessione veicolata - pro-vocata - da teorie filosofiche che nei film sono, di fatto, già applicate.
