Ragnar's Tall Tales Ragnar Benson

America's favorite survivalist author dips into his memories to bring you some of his fondest—and funniest—yarns about hunting, fishing, and the backwoods life, told as only Ragnar can. You'll love this glimpse at the pranks and mishaps that shaped this practical modern survivalist. As Ragnar says, "Thanks to all the do-gooder regulations, we aren't supposed to set off dynamite, hunt boars, shoot crows, or anything," yet that's just what he and his friends did, and these are the most entertaining true stories of their escapades over the years.
