**Remembrances d'una existència (Narrativa) (Catalan Edition)** Enriqueta Moix i Maré

Remembrances d'una existència parla de la dona que em va portar al món, que em va criar, que em va educar i que em va ensenyar a estimar. El llibre fa un recorregut a través de la malaltia de la Teresina Maré, el Parkinson. Malaltia que la va arribar a degenerar de tal manera, que va passar a tenir una dependència total, fins a tal punt, que va haver de ser traslladada a una residència. Residència que va patir un desnonament per la mala administració de les directores, i que va repercutir en la vida quotidiana dels residents i els seus familiars.
