Desire and loyalty collide in the riveting conclusion to USA TODAY bestselling author Kasey Michaels's series about the Redgraves—four siblings united by their legacy of scandal and seduction...

Punished for his father's crimes and scorned by society, fearless soldier Maximillien Redgrave fights to protect England. But his quest to restore his family's reputation is his own private battle. So when the discovery of a smuggling ring compels him to embark on a voyage straight into danger, he's prepared for anything—except to find Zoe on his ship.

Believed to be a double agent for England and France, Zoe must clear her name in order to save her life. Convincing Max of her innocence seems impossible, until inescapable desire tempts them both to trust—and love—again. But a circle of enemies is closing in, and their time together might run out before they outrun danger....
