Learn how using gratitude, self-acceptance and the habit of letting go energizes and yes, turbocharges the law of attraction to create tangible, positive changes that will amaze you!

Bestselling author Cary David Richards has done it again. Using new age philosophy combined with down to earth common sense he explains the simple daily habits that when used on a consistent basis will work to stimulate the attraction principles that lay dormant all around us.

??? Frustration, anger and resentment all too often become default reactions to life's daily challenges.

We allow these emotions and attitudes to rule our lives and then wonder why we aren't attracting the things we truly desire.

Through visualization and the practice of letting go of your negative limiting beliefs and emotions author Richards explains how to nurture the simple yet powerful daily habits that can make all the difference.

The "secret" law of attraction as it has become known in popular culture is not all that secret when you really understand the simple and basic principles that allow it to flourish.

These straightforward and easily attainable daily habits are not hard to master once you understand the concepts behind them. Many of them are concepts that we learned as children but have let atrophy and wither as we grew to adulthood

??? A new age Psychology of acceptance and joy

You'll learn how starting with self-acceptance and then strengthening your habits by the daily practice of visualization you can make profound positive changes.

You'll also understand that by developing the discipline of giving back to your fellow human beings you can keep the attractive energy buzzing in your own life.

Action is one of the main habits that you need to master. Contrary to popular belief, the universal law of attraction doesn't respond very well to sitting on your couch watching television.

??? Explained simply and with a no nonsense lighthearted approach

Cary David Richards gives us the insight to understand and the step by step instructions to implement these fundamental and truly powerful concepts. This book will be one that you'll come back to again and again.
