Accounting/Finance Lessons of Enron:A Case Study Harold Bierman Jr

There is a great deal of confusion regarding the factors that led to Enron's collapse. This important book addresses this problem by providing a coherent explanation of the accounting and finance problems associated with the collapse. The Skilling-Lay trial, as it is related to accounting or finance issues, is critically described as well. Through its well-balanced take on events surrounding the trial, the book therefore enables readers to analyze the validity of the arguments offered by the U.S. attorneys.
