## **La casa roja (Spanish Edition)** Juan Carlos Mestre

La Casa Roja, nuevo libro de Juan Carlos Mestre, inaugura una zona alucinada de apariciones y tensiones que simulan un resumidero formidable. La poesía, «caída ya en desgracia», abre sus puertas para que fantasmas y voces regresen vivos desde la catástrofe civil al lugar del que habían sido expulsados y comparezcan ante el asedio devastador de la ironía de una conciencia radicalmente despersonalizada. La Casa Roja hospeda los múltiples y mutables sujetos de la poesía contemporánea, sus discursos y hablantes que se enuncian, contradicen y superponen por medio de sucesivas máscaras productoras de la otredad. En estos poemas, la percepción funámbula y su representación delirante oscilan entre las más desgarradas encarnaciones de lo profético y la discontinuidad de la prosa del mundo; entre el resplandor del mito y la narrativa errática de los sucesos imaginarios tras el cruel asombro de la experiencia. Figura y fondo, imagen y contorno, movimiento y fijeza, origen y destino, fragmentan y desterritorializan la imagen del poeta, al que otorgan existencia por medio de reflejos, negaciones y ausencias. La escritura actualiza aquí los intentos de desmitificación de la vanguardia, poniendo en jaque la nomenclatura de las formas poéticas al uso y haciendo estallar las imágenes prototípicas establecidas por la tradición de lo lírico y el espejismo de la autoría, pedestal de toda autoridad estética. La Casa Roja, sin abandonar la raíz permanente de la mitología personal de Mestre, interroga a los más reveladores derroteros del pensamiento poético contemporáneo, en un diálogo crítico y ético apasionante.
