Rosamond Lehmann: A Life Selina Hastings

The life of Rosamond Lehmann was as romantic and harrowing as that of any of her fictional heroines. Her first novel, the shocking *Dusty Answer*, became wildly successful launching her career as a novelist and, just as her novels depicted the tempestuous lives of her heroines, Rosamond's personal life would be full of heartbreaking affairs and lost loves.

Escaping from a disastrous early marriage Rosamond moved right into the heart of Bloomsbury society with Wogan Philipps. Later on she would embark on the most important love affair of her life, with the poet Cecil Day Lewis; nine years later he abandoned her for a young actress - a betrayal from which she would never recover.

Selina Hastings masterfully creates a portrait of a woman whose dramatic life, work and relationships criss-crossed the cultural, literary and political landscape of England in the middle of the twentieth century.
