The If Odyssey: A Philosophical Journey Through Greek Myth and Storytelling for 8 - 16-Year-Olds

Peter Worley

The If Odyssey draws out the philosophy that lies behind each story in Homer's epic tale to introduce children not only to the exciting fables of Odysseus, but also to that other great Ancient Greek tradition, philosophy. Explore with Odysseus the value of happiness, non-existent entities, moral dilemmas, the philosophy of prophecy, and the nature of love among many other philosophical issues. From the author of The If Machine, this book offers stories and session plans suitable for use across the curriculum with children aged 8-16. Online you'll find maps of Odysseus' journey, The Words of Tiresias that provides clues for the children as to Odysseus' progress and an Ancient Greek language workshop with accompanying worksheets. You can use the 'Storykit' section, which provides hints and tips on storytelling skills, to bring the tales of The Odyssey to life and stimulate independent, critical thinking with your class.

Quincy Nelson:

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this The If Odyssey: A Philosophical Journey Through Greek Myth and Storytelling for
