The New Politics of the Old South: An Introduction to Southern Politics

The New Politics of the Old South: An Introduction to Southern Politics

Now in its fifth edition, *The New Politics of the Old South* is the best and most comprehensive analysis and history of political behaviors and shifting demographics in America's southern states. Edited by leading scholars Charles S. Bullock III and Mark J. Rozell, this book has been updated through the 2012 elections to provide the most accurate and useful snapshot of the state of southern politics, and the ways in which they have developed over time. The southern electorate is a fascinating, dynamic body politic, and the study of its evolution is paramount to understanding the broader political developments occurring at a national level. While accessible to any interested reader, this edition illuminates the South's essential and growing role in the study, and the story, of American politics.
