Chains of Gold Nancy Springer

Every action has a consequence in this fantasy tale that follows a couple fleeing their destiny

Cerilla, the sheltered, castle-bound protagonist of this inventive and moving fantasy novel, is determined to escape her bloody fate: marriage to a king who is to be sacrificed after she bears his child. But Cerilla makes the monumental mistake of falling in love with her god-like husband to be—Arlen of the Sacred Isle—and he with her. Arlen's devoted comrade Lonn takes Arlen's place so the lovers can flee. But their escape is just the beginning of an odyssey marked by struggle and hardship as they cope with hyperboreal storms, near starvation, and attack by a band of armed horsemen. As they journey across harsh and fantastic lands, finally making a home beyond the Mountains of the Mysteries, Cerilla discovers how much she is willing to give up in the name of love.

Featuring a mythical world where horses gallop across water and serpents live beneath the earth, *Chains of Gold* is about finding your path in life, staying true to who you are, and the ultimate meaning of sacrifice.
