From Book 1:

World War II veteran Peter Blackstone traded his soul so that his wife could live. That was 1945. Since then, Peter has lived an unnaturally long life as a hired killer, providing the life forces upon which Jerahmeel feeds to survive.

Doctor Allison La Croix has a big problem. She randomly sees people's deaths. She has longed to be free of her twisted "gift" to live a normal life without fear of predicting yet another loved one's demise.

After a horrific accident, a severely injured Peter arrives in Allison's ER. The vision Allison experiences when she touches him nearly kills her. He teaches her to block these devastating episodes as she finds a way to unlock his forgotten, passionate soul.

But Jerahmeel's minion has orders to destroy Peter and anyone he loves. Will Peter's and Allison's shattered souls survive the devious plan? Or could their love save them both? Someone will have hell to pay.
