As of spring 2015 in the states of New York, Tennessee, Washington, and Wisconsin all pre-service teacher candidates are required to pass the Education Teaching Performance Assessment to earn initial teaching certification. California, Georgia, Ohio and Massachusetts are planning to adopt the edTPA while eighteen other states are considering adopting this policy in the near future. *Beat the Test!: A Guidebook for Elementary Teacher Candidates* is designed to assist elementary candidates with an educational methodology to pass the Education Teaching Performance Assessment. The methodology can be used to plan, implement, and assess student learning during instruction. Additionally, this method will assist elementary teacher candidates in using the Common Core Standards to design lessons to assess student learning while managing classroom instruction. Candidates who have used this method have successfully beat the tests.
