## **The White Wolf of the Hartz Mountains (Fantasy and Horror Classics)** Frederick Marryat

Frederick Marryat was one of the pioneers of the sea novel, and a major influence on writers such as Joseph Conrad and Ernest Hemingway. In his day, his short fiction was wildly popular, and 'The White Wolf of the Hartz Mountains' remains widely anthologised. Many of the horror stories of monsters and ghouls, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
