What Every Christian Should Know About Islam Ruqaiyyah Waris Maqsood

Of the many books explaining Islam, few specifically address the concerns and questions of those from a Christian background. Moreover, the commonalities between the Abrahamic faiths—Judaism, Christianity, and Islam—are too often ignored. Set out in an easy and informative question-and-answer format, the book addresses the specific theological points of agreement and difference between Christianity and Islam, explains the core religious beliefs and practices of Islam, and answers today's most common questions of Islam and Muslims in an age when there is much conflict and misunderstanding. Islam is best judged not by the limitations and transgressions of its most extreme, ignorant, and outlandish followers, but by the example of its moderate majority, and **Ruqaiyyah Waris Maqsood** presents this introduction to the theology and practice of Islam in an attempt to explore some of the false impressions that surround it.

Table of Contents:

Section 1: The Religious Beliefs of Islam Explained
