Whatever Happened to Hell? (John Blanchard Classic) John Blanchard

Whatever Happened to Hell? is classic John Blanchard in every sense of the word. His book first appeared in 1993 and then as now the doctrine of hell was treated with such great caution by so many preachers and Christian teachers that it was in danger of disappearing from the consciousness of many believers. Dr J I Packer says in the foreword that he gratefully commends the book and hopes it will be widely read. This need is no less now, and Dr Blanchard's approach of helping confused Christians as well as targeting complacent unbelievers is as fresh as ever. This new edition has been revised and now includes the ESV as the main source of Scripture quotations.
