José Saramago

El último cuaderno (Spanish Edition) José Saramago

Es tiempo de volver al compromiso: el escritor tiene que decir quién es y qué piensa. No es éste un libro triste, no es un libro tronante, es, simplemente, una despedida. Por eso, José Saramago, pese a estar atento a la anécdota del día o al suceso terrible, pese a usar el humor y la ironía y emplearse a fondo en la compasión, rescata textos dormidos que son actuales y nos los deja como regalos inesperados, no como un testamento, simplemente ofrendas íntimas que desvelan pasiones y sueños. Nos acerca al mundo de Kafka, o a la inevitable tristeza de Charlot, o nos describe la soberbia aventura de coronar la cima de la Montaña Blanca, en Lanzarote. Éste es un libro de vida, un tesoro, un Saramago que nos habla al oído para decirnos que el problema no es la justicia, sino los jueces que la administran en el mundo. No habrá más cuadernos, esa mirada oblicua para ver el revés de las cosas, la frontal, sin bajar nunca la cabeza ante el poder, sí para besar, la ironía, la curiosidad, la sabiduría de quien no habiendo nacido para contar sigue contando, y con qué actualidad ahora que ya no está y tanta falta nos sigue haciendo. Así son las despedidas de los hombres que saben que han nacido de la tierra y que a la tierra vuelven, pero abrazados a ella, con esa especie de inmortalidad que ofrece el suelo del que nos levantamos cada día, con nuevas experiencias incorporadas. Las de quienes son suelo y tierra, nuestro sustento, tal vez nuestra alma. PILAR DEL RÍO
