Desde Eduvim (Editorial Universitaria Villa María) nos enorgullece poner en manos de los lectores argentinos este libro: Narrar Ámsterdam. Una ciudad a través de sus libros. Es un orgullo porque creemos que es muy poco frecuente, en el mercado actual del libro en español, antologías tan bellamente pensadas para ofrecerle al lector tanta información y buena literatura. Es un orgullo, también, que este libro se edite y publique desde una editorial con financiamiento público, perteneciente a una Universidad del Estado Argentino. Narrar Ámsterdam. Una ciudad a través de sus libros es por tanto lo que el subtítulo informa: un recorrido por una de las ciudades más encantadoras de Europa a través de sus libros. Una antología en la que los lectores podrán oler, saborear, imaginar, soñar, palpar sus calles, sus canales, su humedad, sus parques, sus habitantes. Una antología que supone una pequeña astilla en un inconmensurable bosque de todo aquello que se ha escrito para aprehender en un instante, en una carilla, en una mancha de tinta, todo lo que una ciudad necesita para ser narrada: desvelos, miedos, lágrimas, pasión.
