Prevention and Management of Violence Guidance for Mental Healthcare Professionals (College Report) Masum Khwaja, Dominic Beer

Comprehensive overview of best practice in the prevention and management of violence by patients with mental disorder.

Presents the latest clinical guidance from the (UK) Royal College of Psychiatrists.

An evidence-based text intended for both practical and academic use.

An emphasis on preserving patients dignity in highly volatile situations.

It covers:

Relevant legislation.

Assessment and management of risk of violence in different settings (e.g. the community and in prisons) and for specific populations (e.g. older adults and people with intellectual disabilities).

Non-pharmacological management techniques and use of medication.

Clinical governance for improving the overall care provided by organisations.

Liaison with the police, Crown prosecution service and MAPPA (Multi-Agency Public Protection Arrangements).

Related title May sell well alongside the 2013 recently published title *Domestic Violence and Mental Health*, ISBN 978-1-908020-56-7.

RCPsych Publications is the publishing arm of the Royal College of Psychiatrists (based in London, United Kingdom), which has been promoting excellence in mental health care since 1841.
