Global IT Management: A Practical Approach

Robert Barton

Global IT Management: A Practical Approach Robert Barton

Global IT Management presents a practical approach for initiating and reinforcing global IT, focusing on the mechanisms that need to be put in place to effectively manage IT architecture, strategy, standards, and control across sites in a multinational firm. Key considerations are explained for each domain together with concrete recommendations for core organisation, processes and deliverables. The approach fits cleanly into established best practices for IT such as the CobiT® framework for IT management.

This book:

- Integrates all major elements of global IT management in one book
- Covers key issues and presents straightforward guidelines for implementation
- Provides context throughout by using examples from leading firms including Philips, Nestlé, Novartis, Toyota and UBS

Global IT Management will be vital reading for CIOs and IT Heads in multinational or global firms, their planning departments, and companies providing consultancy services to them. It will also be a valuable resource for students studying IT management on MBA and Executive MBA courses.

From reader reviews:

Jamey Ainsworth:

The feeling that you get from Global IT Management: A Practical Approach is a more deep you searching the information that hide inside the words the more you get enthusiastic about reading it. It does not mean that this book is hard to be aware of but Global IT Management: A Practical Approach giving you joy feeling of reading. The copy writer conveys their point in selected way that can be understood by simply anyone who read it because the author of this e-book is well-known enough. This specific book also makes your current vocabulary increase well. That makes it easy to understand then can go along with you, both in printed or e-book style are available. We advise you for having that Global IT Management: A Practical Approach instantly.

Tyler Emery:

Reading a guide tends to be new life style within this era globalization. With examining you can get a lot of information that can give you benefit in your life. Together with book everyone in this world may share their idea. Textbooks can also inspire a lot of people. A great deal of author can inspire their own reader with their story as well as their experience. Not only situation that share in the textbooks. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors in this world always try to improve their talent in writing, they also doing some analysis before they write on their book. One of them is this Global IT Management: A Practical Approach.

Sonia Cancel:

Your reading sixth sense will not betray a person, why because this Global IT Management: A Practical Approach publication written by well-known writer who knows well how to make book that could be understand by anyone who else read the book. Written in good manner for you, dripping every ideas and writing skill only for eliminate your own personal hunger then you still doubt Global IT Management: A Practical Approach as good book not merely by the cover but also by the content. This is one book that can break don't judge book by its handle, so do you still needing another sixth sense to pick that!? Oh come on your reading sixth sense already alerted you so why you have to listening to one more sixth sense.

David Packard:

This Global IT Management: A Practical Approach is great publication for you because the content that is certainly full of information for you who all always deal with world and get to make decision every minute. This particular book reveal it details accurately using great arrange word or we can claim no rambling sentences within it. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but difficult core information with beautiful delivering sentences. Having Global IT Management: A Practical Approach in your hand like obtaining the world in your arm, facts in it is not ridiculous just one. We can say that no reserve that offer you world inside ten or fifteen small

right but this publication already do that. So , this is good reading book. Heya Mr. and Mrs. stressful do you still doubt that will?
