Every night, the moon outside Willoughby's window gets smaller, and smaller, and smaller . . . until one night it disappears!

But Willoughby isn't afraid of the dark. Not *really*. He just wants to know where the moon went.

When he finds it in the most surprising place, he sets off on a magical adventure and meets a new friend who seems to be scared of lots of things—moon buggy rides, space pods, big rocks. . . . But it's Willoughby who has to overcome his own biggest fear in order to help his friend.
